DEMO BOOK

Scan the QR to
download the app

How to get started?

Using StartAR App is as simple as 123.

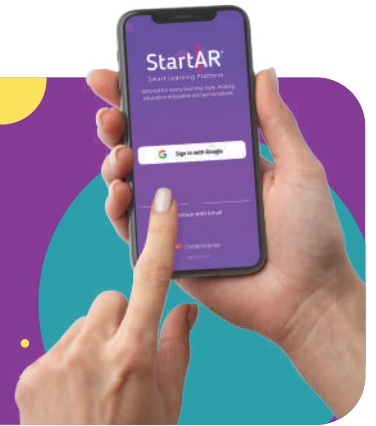

Download the StartAR Smart Learning App.

Download the free app from the Google Play store and Apple App Store by searching for "StartAR Smart Learning".

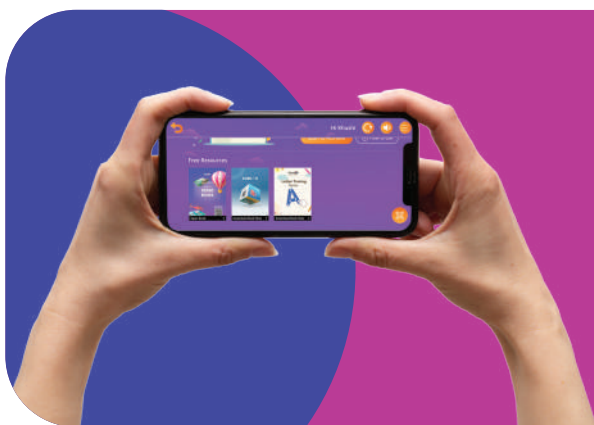

Create an account.

Signup or Login using your Google or Apple account.

Click on Demo book to experience our collection.

From the app's homescreen tap on the "Demo Book" and experience a gist of our book collection. It includes Playgroup, Nursery, Junior KG, and Senior KG level books.

You can explore the demo book in two ways: digitally or using a physical copy.

For digital access, you'll need two devices — one to scan and the other device to view the book.

For physical copy follow the points listed below:

1. Keep the book on a flat surface.
2. Make sure there are no reflections of light on the page.

Scan the pages to explore the Augmented Reality

MUG

MILK

MUFFIN

One day, Ravi was dreaming so much that he didn't see a stone. The milk spilled all over the ground! He was really sad because he had no milk to sell.

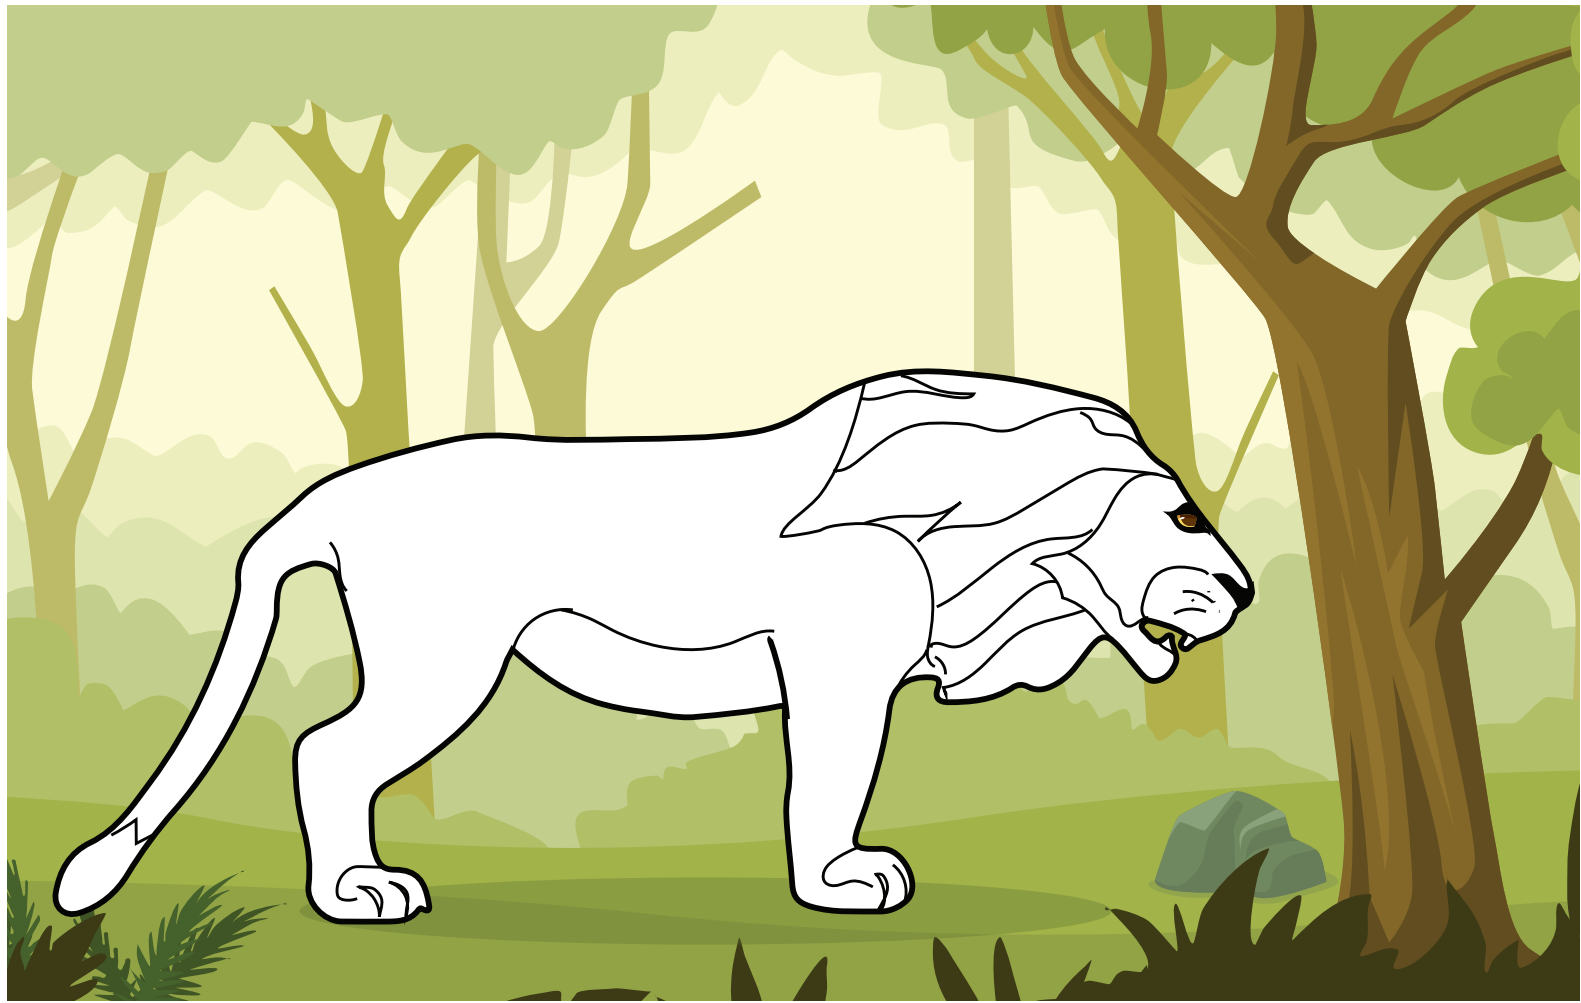

Ba Ba Black Sheep

Baa, baa, black sheep
Have you any wool?
Yes sir, yes sir, three bags full.
One for the master,
One for the dame,
And one for the little boy
Who lives down the lane?

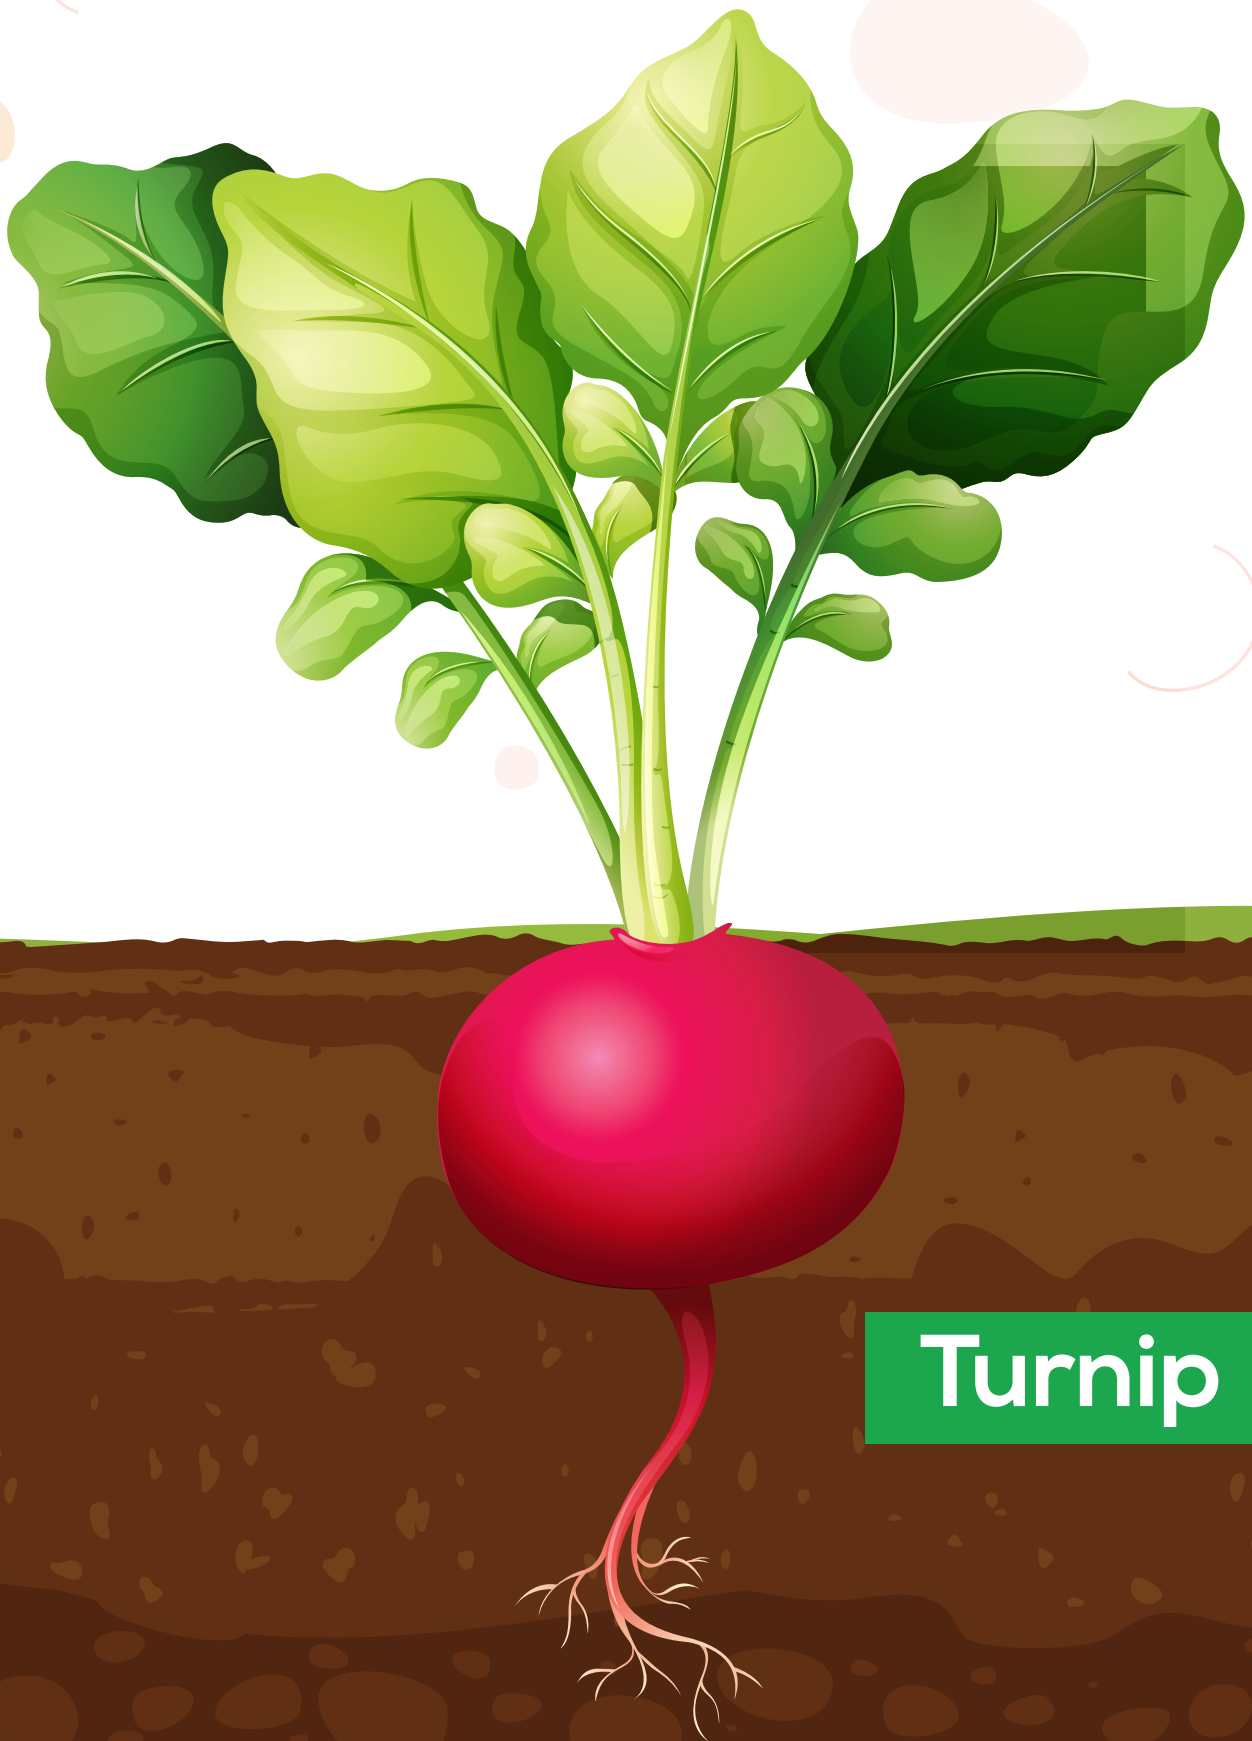

Color the picture and name the object.

Circle all the 'L' letters only and say its sound each time you circle it.
